

The Azrieli International Postdoctoral Fellowship has launched its Call for Applications for the 2023–24 academic year. The fellowship offers generous funding and support for 24 international postdoctoral applicants to conduct research in exact sciences, life sciences, humanities, and social sciences at eligible Israeli academic institutions. The online application will be available beginning September 1, 2022.

This year, the fellowship has opened its eligibility on a worldwide scale. The value is approximately EUR 53,000 (ILS 188,000) per year, including funds reserved for research and travel.

Please find below the full information for the application process. **We would greatly appreciate your assistance in circulating the information to relevant parties worldwide and in Israel.**
